

Conjola Community Association
Executive Meeting held on Friday 8th December at 10am
Held at Anglers Café, Lake Conjola.

Present: Dirk Treloar, Fran Shanahan, Col Ashford, Mike Brungs (conference phone).

Apologies: Kristen Bird and Elaine Caswell Bill Hackett.

Item 1. It was voted on to have our Association incorporated. When it is granted it enables us to apply for funding via various grants that are available. The name to be registered for incorporation is CONJOLA COMMUNITY ASSOCIATION.

After we reserve the name and pay the fee we need a Public Accountant to audit the books. We thought that on Facebook Kristen could put in an article asking for someone to take on this position and then offer them free advertising in place of an annual fee. (RK to talk to KB after Xmas break). RK is to apply at the Commonwealth Bank to have a Debit Card issued on our bank account.

Item 2. RK to contact the Times newspaper and get an article done on the profits from HH Caravan over the last five years. Red Head Village President Kevin has already put in an article stating the same.

Item 3. CA stated that the lake was void of nippers, which is highly unusual. We are to contact DPI and see what they say on the matter.

Item 4. RK to contact Redhead Village Secretary Robyn and ask for contact details of their contact with the local Aboriginal caretakers of our area.

There being no further matter the meeting closed.
