Water Station:- There was a request from Council in relation to where and what design the Association would prefer for the establishment of this amenity. It was decided that the one on the right hand side of the 2 pictures and it should be placed at the base of the disabled boardwalk access.

Incorporation of Conjola Community Association (and CCB):- This topic was discussed and it was suggested that this Association request permission to use Redheads Public Officer and also ask the community whether it is felt that the group should be incorporated i.e. what would be the benefits?

Fish restocking:- The meeting was told that Fisheries still have Lake Conjola on its list for restocking but they are still sourcing the marine stocks.

Bus Shelter at Fishermans Paradise:- As far as the Association is concerned there is no problem with providing a bus shelter in the village as long as the residents are in agreement.

Parking:- It was mentioned that there should be at least 2 designated parking spots for retirees around the caravan parks

Marine Environment:- Marion Devitt brought to our attention that there will be a public lecture:-

Protect our Marine Environment

April 7th

Ulladulla Civic Centre

1-30pm for a 2pm start

Camping:- It was mentioned that individuals who were found camping illegally along the foreshore of Lake Conjola had been caught and fined.

The suggestion was made that Council should possibly put up signage forbidding camping along the foreshore and that there should be an increase in the visits made by Council Rangers to Lake Conjola. In addition it will be placed on our web site that there is no free camping available in Lake Conjola.

Toilet Block Mural:- It was decided that this Association acknowledge and express our gratitude to the National Parks and Wildlife Service for funding the excellent mural that adorns the toilet block wall adjacent to the Boardwalk.

Rabbits:- It was stated that there is a plague of rabbits in Lakeside Drive and Council would be contacted on how this problem can be acted upon.

The Boardwalk:-The signs along and near the boardwalk have been both removed and demolished. It was suggested that signs only be replaced at the beginning and end of the boardwalk.

The AGM and next General Meeting:- 7-30pm, Monday 16th April 2018
